

- All drivers must wear a dot approved full face shield or Dot helmet with goggles, and gloves.
- Must have a 4 point harness.
- Must run a number on both visible to the tower. May run sign with number, tie strapped to utv.
- All utvs must have cage on top of utv. No open tops.
- No mud tires. May run 8" American Racer or Hoosier tires. May run factory type tires. May run any size tire. 8" wide wheels maximum.
- No Maximum cc on engine. Turbos allowed. Any aftermarket parts to the Motor may be added.
- All Utvs must pass safety tech before each race. No minimum weight.
- May run windshield.
- All drivers at registration must sign a Driver's Waiver before practice.
- Driving suit not enforced but recommended.
- Utv's will draw a pill at registration for the start of the feature.
- Must be 18 or older to run in the race. If under 18 parent must sign a waiver.
- Races for the Utv's will be 25 laps. All procedures will be just like all other races.
- Top 3 must come to scale house after race to make sure all safety was worn during race.
- Gopro's are allowed. May run factory headlights during race but no lightbars on during race.
- All Utv's must have doors on both sides. No nets for doors.
- Any driver attending race may not be under the influence of alcohol. Anyone caught will be asked to leave with no refund.
- There will be a 25.00 entry fee to enter the Utv. \$1000.00 purse for the winner. The night of the race we will inform everyone the prizes for 2nd and 3rd.

- Clarys reserves the right to refuse any UTV that is in our opinion unsafe for the drivers and/or spectators.
